- B.A.** Psychology, Seattle University, 1971

PROFESSIONAL EXPERIENCE

EASI•CONSULT, LLC, St. Louis, MO (September 2003 – Present)

SELECTION & ASSESSMENT CONSULTING (September 2003 – Present)

President

- Provides consulting services and products for employment selection, performance management, employee progression, employee and leadership assessment, organization change, and processes and systems that enable the effective use and support of the human resource in organizations.

AON HUMAN CAPITAL SERVICES (August 2002 – September 2003)

Organization Effectiveness VP

- Overall responsibility for outsourced contract services to AT&T relating to selection and assessment functions, organizational and management consulting, and EEO-AA functions.

AT&T HUMAN RESOURCES

Organization Effectiveness Director (December 1996 – August 2002)

- Overall responsibility for AT&T's Diversity, EO/AA and Employment/Staffing policy and strategy and for the development, validation, legal defense, and implementation of employment selection processes.
- Responsible for internal HR consulting to business units and HR organizations for workforce and organization strategies including performance management, competency modeling, leader and manager progression programs and culture change.

Selection Psychologist (September 1982 – December 1996)

- Responsible in a variety of positions for development and validation of AT&T selection procedures including cognitive, psychomotor, personality, and knowledge tests, interviews and work simulations for management jobs, sales and customer service jobs, technical jobs, craft and trades jobs, and manufacturing jobs.
- Responsible for the integration of Labor Relations, Union, HR policy and client issues regarding the above products and services. In 1995, served as AT&T Process Owner for employment policies and processes in collaboration with the employment delivery organization, employment policy support, and the test development and validation group.

VIRGINIA TECH DEPT OF PSYCHOLOGY (September 1975 – June 1982)

Psychology Faculty, Applied Behavioral Science Program

- Taught graduate courses in test theory and development, program evaluation, applied research, research design, statistical analysis, and decision making. Conducted research in computer adaptive testing, decision making, and appraisal judgments.
